End User Certifies on behalf of Company that:

a) The pricing information ("Information") is used exclusively by traders identified on the Ginga Pricing Request Form ("Form") that deal with GFI Ginga broking affiliates ("Identified Traders") and shall not be shared with or distributed to any End User's middle or back office area for any purpose, including for use in connection with any risk, valuation, or any other pricing applications;

b) The Information is used only for the purpose of supporting the activities of the Identified Trader with Ginga and the data is not used for other purposes< unless specifically licensed, including without limitation supporting trading with competitors of Ginga;

c) Neither End User Identified Trader, nor any of its employees or agents will sell, lease, furnish, redistribute, retransmit, or otherwise permit or provide access to the information or any data created from the information through manipulation, modification, supplementation, enhancement or combining with other information ("Derivative Works") to any person other than the Identified Trader; and

d)Neither End User Identified Trader, nor any of its employees or agents will use the information or any Derivative Works in any products or services that the End User or any employees or agents of the End User provides to any third party, including, but not limited to, portfolio valuation, securities valuation and risk evaluation services without first having the specific license in place.

The Information is confidential and shall remain, the property of GFI Ginga and it's affiliates.
